

01 Language and scope of our terms and conditions.

The contractual language for our terms and conditions is English. Only this English text is binding. Our terms and conditions are valid for all contracts regarding products bought in our online GeoCoin shop www.gc4all.com.

02 Orders and Contract.

All orders are binding. Contracts become effective once the customer confirmed payment and provided the items are available in stock and thus only after shipment of the ordered goods. The contractual partner is:

LEUVION GCV

Managing Director: Luc De Haes

Customer's order will be confirmed by e-mail. The contract becomes effective after receipt of payment and shipment of goods. An e-mail informs about the shipment.

03 Prices.

All prices are in Euro excluding shipping. Prices include VAT.

04 Shipping Costs.

Shipping costs appear clearly before confirming the order and before payment. Shipments out of the European Union, are eventually liable to customs duty, which have to be paid by the buyer.

05 Terms of Payment.

Payment is done with PayPal, bank transfer or cash on delivery. Costs resulting from unjustified back posting of transferred money can be invoiced to the customers.

06 Shipping Time.

Shipment will be done after receipt of payment. Goods will be transferred to forwarder within app. 1-4 days. In the unlikely event that some goods are out of stock, we will do a partial delivery. In this case we will inform you and take care to complete the shipment as soon as possible. Delivery may then take up to 5 weeks.

07 Right of Withdrawal for the Consumer.

Customers, who are consumers, are entitled by applicability of the regulations for distance contracts to a right of revoking the contract on condition of the following instructions. They can revoke the order within a revocation period of one month without further specification of reasons in written form (e.g. letter or e-mail) or by returning the goods. The revocation period does not start before the delivery and the reception of this instruction. Punctual dispatch suffices to comply with the time limit. The revocation must be declared to:

LEUVION GCV

Customer has to bear the costs of return.

These Rights of withdrawal do not apply for products manufactured according to the customers specification. A return is in those cases not accepted.

The legal rights apply.

Due to the fact that the material of the geocoins is metal, minor changes in color or patina occurring depending on storage conditions at the customer's site, is possible.

09 Reservation of Property.

The goods shall remain property of the seller until full payment is completed.
